

FIITJEE's **ALL INDIA OPEN TEST SERIES**

Target-NTSE, 2018-19

(For students studying in Class X)

“Will also check the Fundamentals Preparation for IIT-JEE on the topics of class IX / X”

The best time to start preparing for IIT-JEE is in Class IX. You might also have an aspiration for the same. But there are many milestones which will come on the way to IIT-JEE. One of such important milestones is NTSE. As you are in class X and are preparing for NTSE, 2018-19 with full enthusiasm. But you could not join FIITJEE's classroom program for some reasons, you can still check your current level of preparedness for competitive exams and compete with Top students currently studying in class X through this **Open Test Series, at the National Level**. You will also be able to compete with FIITJEE's Classroom program students and check your preparation level on fundamentals of JEE on the topics of class IX / X through this Open Test Series.

Here is an opportunity to analyze:

- In this highly competitive environment are you in the right direction towards your goal of competitive exams?
- Do you stand at par with other students who also have same aspirations?
- Do you need any additional guidance for future competitive exams?

Salient features of this Target-NTSE Test Series:

- Checking fundamentals preparation for IIT-JEE on the topics of class IX / X.
- There will be test analysis for every test as per the schedule.
- Concept strengthening Classroom Program will be conducted from time to time.
- Performance Analysis Report will be provided through special meeting with FIITJEE experts.
- All India Ranks will be provided.
- Students will also get a chance to appear in All India Internal Test Series (AliITS) along with FIITJEE's Classroom Program students. It's an All India Test Series, especially designed for FIITJEE's Classroom students.
